The most important relationship we have, must nurture, protect, and appreciate is with Allah ﷻ and His Messenger ﷺ

Fall in Love with Allah, His Names, Attributes, Favours, Patience, Forgiveness, Rewards...

Those who love Him become His Awliya, Siddiq, Shuhahda, Saliheen, Dhakireen. Those who reject Him or ignore Him, then surely become amongst the losers.

إِنَّ الَّذِينَ آمَنُوا وَعَمِلُوا الصَّالِحَاتِ سَيَجْعَلُ لَهُمُ الرَّحْمَنُ وُدًّا

Indeed those who believe and act righteously, Allah most generous will bestow upon them with love

I and the Jinn and the Humans are involved in a great matter (*naba' adheem*). I create them but they worship objects other than me. I shower My bounties on them but they direct their thanks somewhere else. Whereas My blessings keep descending to My servants, their evil-deeds keep rising to me. While I draw close to them with my blessings and bounties they distance themselves from me by their disobedience.

Allah does not need us, we need him, yet He gives us all opportunities to get closer to Him. So why do we keep distancing ourselves?

'If you do love Allah, then follow me, Allah will love you and forgive you your sins for Allah is Oft-Forgiving Most Merciful'

"And He gives you of all that you ask for. But if you count the favours of Allah, never will you be able to number them. Verily, man is given up to injustice and ingratitude"

الْمُتَوَكِّلِينَ - الْمُحْسِنِينَ - الْمُتَطَهِّرِينَ - التَّوَابِينَ - الْمُقْسِطِينَ - الْمُتَّقِينَ - الصَّابِرِينَ -

"Everyone will be with those whom he loves." (Bukhari)

Some people's relationship with Allah is limited to following orders and leaving prohibitions. But it must be more than fear but of love.
