SHAUKAT WARRAICH

CEO - FAITH ASSOCIATES

DIRECTOR - BEACON MOSQUE

It is with both pleasure and deep gratitude with the grace of Allah (SWT) that I have the opportunity to celebrate in person the amazing work of our UK Mosques at the 6th British Beacon Mosque Awards 2023.

The Beacon Mosque concept has taken root in the UK and I am delighted to say beyond the shores of this great Nation in other parts of the world. The Mosque Expo 2023 has also become the main Mosque leaders conference in the UK and has attracted a large number of exhibitors this year. We thank all those that have supported the Mosque Expo and British Beacon Mosque awards 2023

The need to reward and celebrate the great achievements of our Mosques has never been greater. Masha'Allah the UK Mosque leadership and the thousands of volunteers that run and maintain these institutions have excelled despite the challenges of anti Muslim hatred, rising Islamophobia and limited resources. The Beacon Mosque concept with it's related standards are rooted within the "Madni Model". At its core is Service, Compassion and Gratitude. Articulated and expressed in the ways (Sunnah), methods and pronouncements of the final Prophet of Islam, Muhammed صلى الله عليه وسلم. As the Quran states 'Certainly a mosque founded on piety from the very first day is more deserving that you should stand in it: in it are people who love that they should be purified.' (Quran chapter 9: verse 108.)

The awards are taking place at a time when there is total devastation being inflicted on Gaza and 1000's of Palestinians have been killed. Mosques have risen to the challenge to raise the voice for Palestinians, as we as help raise much needed funds for the millions that have been displaced. Mosques and volunteers have come forward to support the numerous disasters this year in Pakistan and Turkey for instance. The support they have galvanised in the community is incredible mashallah. The British Beacon Mosques Awards is helping to raise the vision of a 21st century Mosque and with the grace of Allah (SAW) its being visualised alhamduillah.

EMPOWERING

HE SHAYKH MUHAMMAD AL-YAQOUBI ROYAL AAL AL-BAYT INSTITUTE

I Praise be to Allah, Lord of the Worlds.
May peace and blessings be upon our
master Muhammad, his Family, and his
Companions.

To all participants, honourable nominees,
and esteemed colleagues,

*Assalamu alaykum wa rahmatullahi wa
barakatuhu*

Throughout our rich history, whenever
mosques are built, and people congregate
within them with prayers and meditation,
the community thrives and the Mercy of
Allah transcends.

Mosques are the heartbeat of the Muslim community and sacred sanctuaries: By honouring them, Allah will honour you; so we congratulate the British Beacon Mosque Awards in their mission to inspire mosques around the UK to strive for excellence.

These awards reflect our beautiful neighbourhoods, as they celebrate the integral role mosques play in enriching and uplifting society by cultivating the minds and souls, and instilling a spirit of inclusivity and understanding in the fabric of British society.

And as we witness the outstanding achievements that will be showcased, let us pray to Allah for the continued prosperity and success of our mosques in the years to come.

With prayers and regards,

HE Shaykh Muhammad al-Yaqoubi
